*This registration does not ensure a position on any team of any given sport. It does register the family as part of Covenant Sports for the year. Each sport may have additional registration or try-out requirements. Fees for each sport will be determined by the governing body of that sport, in accordance with the by-laws of that sport.*

Covenant Central Sports is a non-profit organization composed of unpaid volunteers. Therefore, we ask that each family commit to helping in some area of CCS' operation. We have been delighted to witness the talents and willing spirits that the Lord has brought to the CCS family. Most tasks require but a few hours' time; for all areas training, guidance and assistance are available, so you are not being asked to be fully responsible for any of these areas.

Please **circle two or more** areas in which you are willing and able to help.
